PRESENTATION - A Big Fish Wasn't the Only Thing I Caught!	
Date/Time:	Saturday March 26, Time -To be announced and Sunday March 27, Time -To be announced
Location:	Presentation Room – FFF-D Fly Festival Building
Instructor:	Kathryn Maroun
	Kathryn Maroun, FFF instructor and award winning executive producer of What A Catch Productions. President of Casting for Recovery Canada, past Director of Trout Unlimited Canada. Clothing designer for women at work in the outdoors. Past member of the Canadian World Fly Fishing team. Kathryn has fished around the world and has a number of world record fish to her name.
Description:	Highlights from Kathryn's fishing adventures from around the world, shot in HD . Exposing never talked about hazards of the sport: lime disease, parasites and much more. Hazard awareness, prevention and exotic big game fish are just part of what you will learn about through Kathryn's dynamic story telling ability which will keep you laughing and gasping at her mis-adventures!
Equipment:	None Needed
Skill Level:	Open to All
Class Limits:	All Welcome - No Limits

Press Release: March 25th, 2011

Kathryn Maroun, FFF instructor and award winning executive producer of What A Catch Productions and President of Casting for Recovery Canada. Clothing designer for women at work in the outdoors. Past member of the Canadian World Fly Fishing team. Kathryn has fished around the world and has a number of world record fish to her name.

Not to be missed presentation on Kathryn's fishing adventures from around the world and first hand account of the illness that recently almost ended her career. To be held this weekend at the FFF Conclave in Kolding, Denmark.

Exposing never talked about hazards working and playing in the outdoors: lime disease, parasites and much more. Hazard awareness, prevention and exotic big game fish are just part of what you will learn about through Kathryn's dynamic story telling ability which will keep you laughing and gasping at her mis-adventures!
